

### Join OCO Global

OCO Global is a leading international consulting firm specialising in economic development, trade, and investment. Our Dublin team supports governments, agencies, and businesses across Ireland and worldwide, helping them attract investment, grow exports, and navigate complex global markets.

We are seeking an experienced **Programme Manager** to lead large-scale, multi-stakeholder trade and investment programmes. This is a unique opportunity to deliver high-impact work while growing your career in a fast-paced and collaborative environment.

### Why Join OCO Global?

At OCO Global, our values — *People First, Commercial Courage, Creative Impact* — shape everything we do. You'll work with talented consultants from over 25 countries, gain exposure to high-profile clients, and play a key role in shaping the future of economic development and international trade.

You'll have the opportunity to work closely with senior leadership, contribute to strategic decision-making, and build a rewarding career with genuine progression opportunities.

### The Role

As Programme Manager, you will be responsible for the end-to-end delivery of complex trade and investment programmes, ensuring they meet client expectations and governance standards. Your responsibilities will include:

- Leading full programme cycles to ensure successful delivery
- Managing relationships with government agencies, industry partners and international stakeholders
- Implementing and optimising digital platforms to improve programme efficiency
- Identifying and mitigating risks and ensuring compliance
- Managing budgets, resources, and programme performance
- Reporting progress, KPIs and impact to leadership and stakeholders
- Driving adoption of new systems, tools and processes
- Introducing best practices and continuous improvements

### About You

We are looking for someone who brings:

- **8+ years' experience** in programme management, ideally within trade, investment, or economic development
- A proven record of delivering large, multi-stakeholder programmes on time and within budget
- Strong digital literacy, including experience using programme management platforms
- Excellent communication and stakeholder management skills
- Strong analytical, organisational and problem-solving capabilities
- Knowledge of the Irish trade and investment landscape (desirable)
- Flexibility to travel nationally and internationally

### Qualifications:

- A degree in Business, Economics, Project Management or a related discipline.
- Project/Change Management certifications (PRINCE2, PMP, CCMP etc.) are desirable.
